Subject: Re: Third Site Trust DNAPL Area Sampling

Mr. Bernstein,

Thank you for sending. We will go through this in detail shortly and have a response, I am certain.

Just as an aside, may I ask the name of the author of this report? I am quite used to seeing reports such as this having a signature page indicating the Professional Engineer that prepared same. I was mildly surprised that I did not see a signature and author. Perhaps I missed it in my quick scan?

Cheers,

Brent
